San Diego Forward & Ballot Measure

## Engineering

**Annual Overlay** - The City's contractor is in the process of obtaining railroad crossing permits from the North County Transit District. NCTD also requires insurance from the City. Upon securing the permits and satisfying the insurance requirements, we plan to grind and pave El Camino Real between Fire Mountain Drive and Mesa Drive within a few weeks. Subsequently, we will pave portions of Surf Rider Way and Pacific Street.

**Oceanside Boulevard Paving** - The City's contractor started remedying the unevenness of the road by microgrinding at locations determined by the City's engineering consultant.

## Public Works

**Removal of Additional Street Lights in RDO Developments:** Patterson Bros. completed removing 38 deteriorated street light poles the last week of January. To date, a total of 209 light poles have been removed. The vote of the property owners of RDO to assess themselves for a portion of the overall replacement costs is scheduled for February 17.

## Neighborhood Services

**TV crime drama filmed in Oceanside to air on TNT Network** – In September, John Wells Productions filmed a TV pilot crime drama, "Animal Kingdom," using various Oceanside locations. The TNT Network has purchased the TV series, placing an order for 10 episodes for the Summer/Fall of 2016-17. They intend to return to Oceanside in April and June to film additional scenes.
