**Development Services**

**Mission Avenue Improvement Project Phase 1 Construction:** Work on the Mission Avenue Improvement Project continues. On Monday, January 6, 2014, concrete traffic barriers and traffic control was placed west of Ditmar to Coast Highway on the north side of Mission Ave. Ditmar and Freeman Streets are closed to through traffic north of Mission Avenue. Pedestrian access is being provided to all businesses along this segment while construction is underway. Demolition of sidewalks, removal of palm trees, street lights and asphalt pavement is complete. Survey work and rough grading will take place the week of January 13. This stage of the project is scheduled to be complete April 2014.

**Farmers' Market:** The Farmers' Market was relocated from Freeman Street west to Tremont Street on Pier View Way. The temporary relocation of the Farmers' Market will last until April 2014, and will then return to its normal location.

**Property Management**

**El Corazon – Reclamation Plan Grading Project -** The grading of the pad at El Corazon for the multi-use athletic fields that will be developed by Sudberry Development, Inc., and operated by SoCal S.C. LP, is currently on schedule for completion in July 2014. At this time, due to the lack of rainy weather during this time of the year and the significant reclamation activity in depositing fill material at the site, the grading contractor is on pace to complete the grading of the pad to allow SoCal S.C. LP to install their required field improvements to host their first tournament at El Corazon sometime in the third quarter of 2014.

**Library**

**Repairs -** The Civic Center Library stair carpet replacement work will be completed over the Martin Luther King, Jr. Holiday weekend. The library will be closing at 3:00 p.m. on Saturday, January 18 and will re-open on Tuesday, January 21, 2014, at 10:00 a.m.
