**Development Services**

**Mission Avenue Improvement Project**

**Construction:** This week (August 4-8), asphalt patching on side streets were completed Monday and traffic signal loop detector installation was completed Monday and Tuesday nights. Remaining signage, street furniture installation and general clean up took place. Next week (August 11-15) on Monday, the first coat of roadway striping will be applied to the new asphalt pavement and punch-list items will continue to be addressed and completed.

On the night of August 26, 2014, additional paving will take place at the intersection of Mission Avenue and Coast Highway. This work is intended to compliment the improvements made to the corridor with additional paving not included within the original project scope of work.

**Business Relations:** Staff will continue to work with Main Street Oceanside, and businesses to coordinate construction and cleanup activities.
