

## CITY COUNCIL WEEKLY UPDATE

May 30, 2013

### Planning Division

No update

### Development Services

**Mission Avenue Improvement Project Phase 1-** Currently out to bid and a general contractor prequalification process is underway as well. Bids will be opened on June 27, 2013, at 2:00 p.m. Staff expects to award the construction contract at the August 7, 2013, City Council Meeting. A late September date has been identified to issue the "Notice to Proceed" with construction completion date of May 2014. Staff will continue to meet with Main Street Oceanside at their regularly scheduled meetings, the first Tuesday of each month.

**Mission Avenue Improvement Project Phase 2-** The Phase 2 portion is at the beginning of the final design process. Staff has been working with the design consultant and utility agencies to resolve conflicts with the proposed curb alignment and street profile. Staff anticipates the design portion of the project to be complete by January 2014. If project funding can be secured staff expects the bidding process to take place Spring 2014 with a construction start date of September 2014, and construction completion date of Spring 2015.
