**City receives 2013 STAR Award for Excellence** - The City of Oceanside received a 2013 STAR Award for Excellence for its senior transportation program, "Solutions for Seniors on the Go". The City was chosen among 123 applications from 36 states. The award will provide a \$5,000 cash prize with its recognition of the Solutions for Seniors on the Go program. The \$5,000 will assist in payment of volunteer driver mileage and marketing for the recruitment of more volunteers. The annual award is made possible through the Beverly Foundation and Ride Connection, Inc. Both of these agencies provide best practices, study results and survey data to support agencies in improving transportation programs for seniors and veterans. The Beverly Foundation will be producing a news release about the awards made for 2013 in the near future.
