

CITY COUNCIL WEEKLY UPDATE

August 15, 2013

Neighborhood Services

Project Care - Project Care is a program that seniors may sign up for so that they receive a phone call to verify that they are doing all right. If there is no response from a senior, the coordinator would notify OPD to do a welfare check. For many years, staff at the Country Club Senior Center has been the Project Care Program Monitor for Oceanside seniors on behalf of the County of San Diego. The County has run out of funding for this program and was going to cease running the program in Oceanside. Due to our collaboration with many programs and projects with Interfaith Community Services, they have agreed to monitor the ten seniors that are on our program at no cost. Interfaith currently runs Project Care for the cities of San Marcos and Vista.
