Oceanside Police Department and Crown Heights Youth: A Winning Team!

On August 15, the 2nd annual Crown Heights Indoor Soccer Tournament was held at the Boys and Girls Club, with four tough games pitting 3 teams, stocked with talent, against one another. OPD players took on the champs of the tournament in a winner- take- all game for bragging rights. The "Old Guys" team, consisting of David Estrada, Jose Gomez, Jose Munoz, Gabe Nolasco, Bob Moore, Anthony Flores, Craig Marshall, Josh Ferry, Sgt. Taurino Valdovinos, Jeff Novak, Craig Marshall, cheerleader Greg "The Terminator" Sandifer, and two talented staff members at the resource center, defeated the tough competition 8 to 3. The Crown Heights Tournament Youth Champs used 16 players ranging in ages from 14 to 18 to try to wear down the Blues, but Sgt. Valdovinos led the Blues to a hard-fought victory for OPD! Captain Aguigui and Lieutenant Laser cheered on the Blues to the win, and presented trophies to the youth tournament champs after the match.

Using their new-found confidence after taking on the tough OPD Blues in the arena, the youth took on another big challenge and participated in the Copa San Diego Soccer Tournament at Miramar College. The team was sponsored by Matt "Chowda" Lyons, and they played in the two- day tournament on August 17 and 19. For most of the players, they had never played in a real game with real referees, and on an outdoor regulation field. They played against Club teams that practice and play together year round and recruit their players. The team won all 3 games on Saturday, by a combined score of 27 to 0. On Sunday, they won their quarterfinal match 3 to 0, before falling in the semi-finals to the eventual tournament champs. They ended up placing 4th out of 16 teams in the first tournament ever having a Crown Heights team.

Please join us in congratulating these young men, who took on a new challenge, and showed teams from California and Tijuana that Oceanside, and in particular, Crown Heights, can be a positive force to be reckoned with! Even more amazing is the fact that these young men, who have never had formal coaching and play on a playground at the Americanization school on

Division Street, positively represented Oceanside by demonstrating fine sportsmanship and excelled!
