

COUNCIL WEEKLY UPDATE

January 26, 2012

PLANNING DIVISION

Listed below is the item the Planning Commission discussed at their meeting/workshop on Monday, January 23, 2012:

Sign Ordinance Local Coastal Program Amendment and Zone Text Amendment/Citywide
Items for discussion refer to Local Coastal Program Amendment (LCPA11-00002) and Zone Text Amendment (ZA11-00004) to the Sign Ordinance. The amendments involve repealing Article 33 Signs, of the 1986 Zoning Ordinance, modifying Article 33 of the 1992 Zoning Ordinance and establishing the amended text as part of the implementing document of the Local Coastal Program.

The Planning Commission considered potential sign ordinance modifications and directed staff to bring back a draft ordinance which would include text modifications to ensure regulation of signage in a constitutional manner, provisions allowing digital signs on private properties (on-site signs only) and provisions for digital display (electronic message) Billboards on City-owned property. Billboard regulations should yield a zero net increase of permitted signs within the City and must be tied to relocation agreement(s) of existing static billboards.
