

COUNCIL WEEKLY UPDATE

June 2, 2011

General Plan Circulation Element Update. The draft EIR analyzes the proposed update to the City of Oceanside General Plan Circulation Element.

Circulation Element Draft EIR

The Draft EIR for the Update to the City of Oceanside General Plan Circulation Element will be available for public review and comment beginning June 9, 2011. The DEIR identifies potential effects with respect to land use, biological resources, aesthetics, hydrology/water quality, air quality, greenhouse gas (GHG) emissions, traffic, noise, geology/soils, agriculture, hazardous materials and hazards, paleontological resources, and cultural resources. The DEIR also includes proposed mitigation measures that will offset and/or minimize any significant, adverse effects on the environment. The City's decision to prepare a DEIR should not be construed as a recommendation of either approval or denial of this project. The DEIR public review period is from Thursday, June 9, 2011 to Friday, August 12, 2011. The City invites members of the general public to review and comment on this environmental documentation.

Copies of the DEIR and supporting documents are available for public review and comment on the City of Oceanside website: www.ci.oceanside.ca.us, the City of Oceanside Planning Division counter located in the Civic Center at 300 North Coast Highway, the City of Oceanside Main Library located at 330 North Coast Highway, or the City of Oceanside Mission Branch Library located at 3861-B Mission Avenue
