### **Planning Commission**

Listed below are the public hearing items that the Planning Commission will review at their meeting on Monday, April 26, 2010:

The Fellowship Center – Consideration of a General Plan Amendment (GPA-3-07), Zone Amendment (ZA-2-07), Development Plan (D-6-07), Conditional Use Permit (C-9-07) and Historic Permit (H-3-07) to change the land use designation from Single-Family Dwelling Residential (SFD-R) to Private Institutional (PI) and change the zoning designation from Single-Family Residential (RS) to Public & Semi-Public (PS) all with an Historic overlay (H) in order to allow the construction of a two-story, 16,591-square foot, 59-bed 24-hour Non-Medical Care Drug and Alcohol Recovery Center on a 1.00-acre site located north of Chapter Road, south of San Luis Rey Mobile Home Park, and east of the San Luis Rey Parish Church. ***Staff is recommending denial.***

### **Contamination at Osmosis Plant**

The City's Reverse Osmosis Water Treatment Plant has experienced some contamination problems and will be inactive for approximately the next month while the system is being flushed and routine maintenance is performed. Staff is fairly certain that the contamination is in the water line between wells 4 & 5.

Contaminated water flushed through the plant will be directed to the SLR treatment facility for further treatment.

### **New Water Utilities Director Chosen**

Cari Dale, the new Director of Water Utilities, will be joining the City on Monday, May 3. Cari previously served as the Assistant General Manager of the Carlsbad Municipal Water District. Cari brings to her new job several years of "hands-on" experience working in many phases of water treatment and delivery while working in Carlsbad and, before that, the City of Ontario.

### **Dia De Los Ninos**

This Saturday, April 24, the Eastside Neighborhood Association will be conducting the "Celebrate The Child" Event. There will be information booths, crafts for children, games, fun and entertainment for the community. This family event will be held from 10:00 am-2:00 pm at Joe Balderrama Recreation Center.
