### Senior Transportation Volunteer Driver program:

The City will be purchasing a web-based ride scheduling system with remaining funds on the New Freedom grant, other transportation services will continue as funded by the TransNet Senior Mini Grant. The system will enable volunteers to select passenger rides with much more ease and convenience to the volunteer. Staff anticipate that this will result in an increase of number of rides provided by each volunteer. The system will also enable staff to better report transportation utilization statistics through the import of shuttle service and taxi scrip data. The system will initially be used internally until staff are fluent with its capabilities and then will open for volunteer use in early 2011. A demonstration will be provided to the Senior Commission at the next regularly scheduled quarterly update.

### Candlelight Vigil

Save Our Streets will be holding a candlelight vigil at the San Luis Rey Valley Community Resource Center at 6:00 PM on Monday, December 20th in memory of Officers Dan Bessant and Tony Zeppetella and all others who have lost their lives to gang violence over the years in the surrounding neighborhoods.
