

COUNCIL WEEKLY UPDATE

April 30, 2009

Listed below are the public hearing items that the Planning Commission will review at their meeting on Monday, May 4, 2009:

Exxon Gas Station #44 – For the construction of a 815- square-foot drive-thru carwash, and to convert an existing 1,827-square-foot service bay into a food mart and retail use for an existing gas station located at 3401 College Boulevard. Staff is recommending approval.

Pacific Marine Credit Union – To permit the development of a 56,700-square-foot office building with 4,000 square feet of the building to be devoted to banking located on the southwest corner of Old Grove Road and College Boulevard. Staff is recommending approval.

Schreiber Residence – To allow a previously approved project three additional years to construct a single-family residence on a 2,500-square-foot lot with reduced exterior corner sideyard setbacks located at 526 South Cleveland Street. Staff is recommending approval.

Sprint/Nextel @ Surfride – To operate three existing antennas concealed within a structure located at 1909 South Coast Highway. Staff is recommending approval.

Harbor Maintenance

The annual Harbor maintenance dredging has been completed with approximately 250,000 cubic yards of sand removed from the Harbor entrance and placed on our beaches south of Tyson Street Park. Demobilization will start today through the next ten days to remove all the pipes and equipment off of the beach and out of the Harbor.

Environmental Documents

Information Technologies and the Development Services Department have added a new section to the City's Web site. The Environmental Documents section provides Environmental Impact Reports (EIR) and other relevant environmental documents that have been created for various projects within the City of Oceanside. The link to review this information is <http://www.ci.oceanside.ca.us/Datarelation.aspx?Content=362>. The information will be available online for six months, with past and present EIR documents being available at the Planning Division counter at City Hall. Information Technologies and Development Services will be adding additional enhancements over the next several months which will continue to further our mission of providing value and efficiency through technology.
