

COUNCIL WEEKLY UPDATE

July 9, 2009

No Planning Commission public hearing items.

Melrose Drive Extension Project

The first draft of the Environmental Impact Report (EIR) was submitted to the City for internal review on June 1, 2009. In-house review is expected to be completed and returned to the consultant for revision by the week of July 17. We are approximately one month behind the proposed schedule. The consultant has been encouraged to shorten the revision period between checks. The second draft of the EIR should be ready for circulation for review by mid August. The City will distribute the Draft EIR for public review in early October 2009. Public review period of 45 calendar days is required.
